Hi-

Let me get a feel for what's going on, maybe they are still mulling things over given the situation here. I benefitted over the years with a part time schedule and I am an advocate of being accommodating, especially given your work ethic. I'll keep you posted.

Hey Betsy..what's going on? Nicole sent me an email saying that you wanted to know what I was thinking as far as working part time...I would like to work Mon, Tues, Wed...full days...I know that we will be going to court a lot more now...and if I am scheduled to go on a Thurs or Fri I could work something out...I know that the backlog is an issue and all I can say is that I will continue to work hard when I come back to work.

I really appreciate you advocating for me for this!!

Thanks,  
Kate
